

Course Description – Curriculum 2018

Subject: EL321 Communicative Business English 2

Credits: 3

Prerequisite: EL221

Description: This course aims to develop students' advanced business related communication skills in order to prepare them to use English in participating and leading international business. This course focuses on enhancing students' fluency and accuracy in four skills; listening, speaking, reading and writing. The course also raises the students' confidence in English communication in international business context. Advanced business related vocabulary is incorporated in the practice of the four skills. Students are required to work individually and in groups. This course also requires the students to critically apply current knowledge and theory in business as well as information from trustworthy sources of media in completing both individual and group assignments.
